Welcome

Welcome Letter

Hello New Raven Pride Parent!

I would like to take this opportunity on behalf of the Raven Pride Band Boosters Board to welcome you to the Olathe Northwest High School Band family. We are so pleased that you and your student will be involved in one of the largest high school band programs in the Midwest.

As the parent of a senior musician who has reaped the benefits of Mr. Davis's programs at ONW for the past 4 years, I am thankful for two things: the discipline, teamwork, and perseverance my child has learned and Mr. Davis's passion for music. I have witnessed the dedication that he demonstrates and passes on to his students. I have also seen district budgets cut over the last several years that have put limitations on music and the arts in schools across the region. ONW has not been immune to those programming cuts and for a third year in a row we will have to do more with less. Unfortunately, resources continue to dwindle and the cost of raising musicians continues to soar. Instruments, uniforms, music, competitions, and a host of other expenses cannot be covered by participation fees. Not even close.

This is where you come in. We need you. We want and need you to be part of an organization that has proudly supported our high school musicians for the last 15 years. We want and need you to be part of a family that grows stronger with each festival, competition, concert, and fundraiser.

It has been said that "No one can do everything, but everyone can do something". Each of you has something to give - time, resources, connections, energy, presence - and the ONW Raven Pride Band Boosters are ready to help you channel all that you have to offer. I have been amazed at the number of people over the years who have jumped in, taken on any responsibility that is needed, and served our kids.

Most importantly, I am deeply grateful for the opportunity to have come alongside my son as they have marched and played their way through high school in this remarkable program, and I hope that you all feel welcome to do the same. Each contribution is meaningful. Each moment is appreciated.

We've created this book for you because it is the book we all wish that we'd had, back when we were first-time high school band parents. It describes nearly everything that goes on with band here at ONW, all from a band parent's perspective. The thickness of this book should also suggest that there are numerous opportunities for you to be involved in the Raven Pride Band Boosters.

Band is the largest student group at Olathe Northwest. We want to meet you, to see you at Booster meetings, and to enjoy your company as we all work together to support the most dynamic high school music program in the state. We encourage you to read through this book and consider where you might be of service. Once again, welcome to ONW, and we look forward to meeting you soon!

Mickey Schauf
President, Raven Pride Band Boosters

Basics on the ONW Band Boosters

Our Mission

The primary objectives of the Olathe Northwest Band Boosters are to collaborate with the Olathe Northwest High School Band Director, High School officials, and the Olathe School District officials to promote the advancement of the Olathe Northwest Raven Bands music program; and to encourage the growth and development of an exceptional music program that complements and expands the educational opportunities of ONW students.

Why the Handbook?

The Raven Bands and the Band Boosters are unimaginably busy! And for incoming band families, sometimes it's a lot to try to take in all at once. The information on the following pages will familiarize you with our organization, it's functions, projects, and committees. Because the Raven Bands family is so large (right now it's the largest in the school district), it's almost impossible to contact everyone at once, so we thought it would be a good idea to try to create this handbook. Lots more information, including an online calendar, is available at our website, www.ravenbands.org.

Any questions you may have can be directed to any Band Booster Officer, Committee Chair, or the Band Director.

Who are the Band Boosters?

The Olathe Northwest High School Band Boosters (ONW BB) is a non-profit 501 © (3) organization to which all parents and guardians of Olathe Northwest Raven band students automatically belong. Our organization welcomes not only the parents/guardians of students participating in the Olathe Northwest Raven Bands program but also anyone interested in supporting the Raven Bands.

What We Do (and What We Don't Do)

First, and foremost, The Olathe Northwest Band Boosters support the Band Director and the students of the Olathe Northwest Raven Bands. Our support typically functions through fundraising and volunteering "back stage". The Band Boosters manage an annual budget in order to support Raven Bands program. We do not make policy or curriculum decisions for the Raven Band; that is the role of the Band Director, assisted by the band staff.

Raven Bands activities are not completely covered by the Olathe Schools Board's Budget; therefore, the Band Boosters assist with raising money to support the band program. Some of our fundraising efforts include the annual Blues & BBQ Jazz Banquet, Speedy Car Washes, Bingo Night, Holiday and Spring Plant Sales. The money we raise helps supply the Raven Bands with things like festival fees, clinician expenses, trailer fees, and instrument repairs.

Our other form of support – Volunteering to help "back stage" – is equally important. Parental involvement is essential to the success of the entire band program. When parents offer time and effort to chaperone, assist with uniforms, serve on the pit crew, help at band camp and competitions, and help with fundraising – we are giving our time and effort to our sons and daughters and the ultimate success of the program.

There's one more thing that Band Boosters do...We have fun!! You'll find many opportunities to meet new people, form relationships and have a great time. Band families have a lot of school spirit and sit together in the stands at football games and competitions to show their support of the band.

Why We Need Your Help

It takes a group of dedicated students and parents to keep the Raven Bands program great!

The Olathe Northwest Band Boosters is devoted to the support and advancement of the Raven Bands program. With increasing numbers comes the obligation for new uniforms, music, fixing or replacing more instruments and buy dinner meals during competitions. These items are typically not funded by the Olathe School District. You have a unique opportunity to help promote a band program with a proud legacy in our area. To continue and expand on our 15-year tradition of excellence, the Band Boosters need every parent to become involved! Whether it's fundraising, chaperoning, event organization, volunteering, or just showing up for monthly meetings, all that we ask is that you share with us your ideas and a little of your time and energy.

Everyone has something to contribute and we need each and every one of you!

Band at ONW by the Hour

Just as the ONW Band Boosters focuses on all the different bands in the program, this handbook was written to help out all bands. In total there are ten (10) different bands within the ONW Raven Bands program. Not all of them are full year programs, but to help better explain the whole Raven Bands program the following is a basic idea of each individual band. Each band is comprised of freshman through senior students who qualify based on auditions completed in the Spring semester of the previous year (unless otherwise stated).

1st Semester Class Schedule

Charms – Why is it Important?

The Raven Bands and the Band Boosters use a software program called **Charms Office**. Although you can link to it from the Raven Bands website, it is separate application that allows us to:

- Integrate student and parent contact information
- Tracks the Raven Bands calendar
- Manage inventory
- Assign and barcode uniforms
- Work on finances (including individual student accounts)
- Submit a student’s practice logs online

To log in to the student’s account, follow the steps below:

Step	Action
1	Browse to: https://www.charmsoffice.com
2	Click on the “Enter/Login” button in the upper right corner
3	In the “Parents/Students/Members” section, please enter the following school code: ONWHSBand
4	Click on the “Enter Student/Parent Area” button
5	In the “Student Area Password” section, please enter your student’s school ID <i>NOTE: Ignore the red box that might pop up requesting you to change your password – Instead just click on the “Home” icon located in the upper left corner.</i>

From here you will be able to find out just about anything you want that pertains to your student – from the band calendar to what’s going on in your student’s financial ledger account to sending an email to the Band Director and the Boosters’ Board members.

** When your student first joins the band please double-check the personal contact information (Click on “Update Info” icon). Don’t forget to update the account anytime your information changes.

It is VERY IMPORTANT that the phone and email information for both the student and their parents are current – AND that your student’s t-shirt size is accurate.

The contact information in your student’s Charms account is what we use to send out Band updates and information -- that includes emails from Mr. Davis as well. The t-shirt size in your student’s profile is the size we use when ordering band shirts (No changes will be allowed after the order has been made).

Emails

We have found that emails are a great way to reach everyone so expect to see a few of them in your “Inbox”. We realize that people are typically inundated with a sea of email from here, there, and everywhere. There are times when it’s hard to just keep up with it all. With that in mind we intentionally do our best to keep emails to a minimum while still keeping you and your student informed.

Most of the emails you will receive come from Mr. Davis, our Band Director. However, there will be times occasionally when someone from the Booster Executive Board will need to send information out to you; usually it will contain volunteer and fundraising information.

Do You Use Facebook or Shutterfly to Get Out Information?

Yes, Raven Bands has a Facebook page (ONW Raven Pride Band) but it is set up as a closed group so, you’ll need to get invited. Parents and students are allowed to post pictures and information about band events. It’s really helpful during marching band festivals/competitions or anytime one of the bands is traveling by bus outside of school hours.

We also use our Shutterfly account so that parents and students can upload or download pictures during band events. This account is secure as well so you’ll need to be invited.

To request an invitation for either Facebook and/or Shutterfly, you can use one of two ways:

- Send an email to the Webmaster (webmaster@ravenbands.org) requesting access
 - There will be a sign-up sheet available during the Meet the Band Night on August 8th
-

Who Should I Contact if I Have Any Questions?

First of all, questions are good. We like questions! That means you’re engaged and we always appreciate that.

If you have question about the Band Boosters or just want information from a band parent’s perspective, PLEASE ASK!! Anyone from the Boosters Executive Board would be happy to answer any questions you may have – please refer to the Basics on the ONW Band Boosters listed in the section above. If that person you contact doesn’t know the answer we will make sure we get you in contact with someone who does.

This handbook has also been formatted so that the following sections are broken down by our most common questions. At the beginning of each section there is a paragraph(s) titled “Background” which gives you an overall description of the section and includes a contact person that you may reach out to if you have any additional questions.

Calendar of Events

Background

Below is a list of this school year's Raven bands calendar which is broken up by the specific band(s) that your student is in. Mr. Davis has prepared a calendar of events with all the band schedules intermixed (you can find a copy of it in the Appendix). This is the same information – it's just split up by band in the hopes to make it easier for you and your student to identify which dates pertain specifically to you.

If you have any questions about the band calendars, please contact the Band Directors :

Robert Davis at rdavisonw@olatheschools.org or Galen Whisman at gwhismanonw@olatheschools.org

As you're looking through these calendars you'll notice there are a lot of auditions, concerts, and festivals. For questions about specific events, please refer to the section below titled "What Are All These Events About?"

What are All These Events About?

As you can see no matter which band your student is in their calendar is pretty full with concerts, festivals, and competitions throughout the year. For those who are new to high school band it can get a little overwhelming to know what you can participate in and what you can't, so the following is a brief description of most of the events.

Marching Band Events

Event	Details
Old Settlers' Day (Stand & Blow – Downtown Olathe)	<ul style="list-style-type: none"> • Every other year ONW is invited to perform at the Old Settlers' Day "Stand & Blow" as part of their kick-off for the weekend celebration. • Students will meet up at school to check out their uniform & will ride the buses to/from school. • The band will play a few songs over by the court house (corner of Cherry & Loula). • Families are welcome to go down to the festivities and watch the performance.
March to Meadow Land & PRT	<ul style="list-style-type: none"> • As part of our marching preparation the band has an annual tradition of marching and performing from ONW to Meadow Lane Elementary to Prairie Trail Middle School and back to ONW. • This march is performed during morning school hours • All student should wear their show shirt to school! ▪ Parents are welcome to come to school and watch the performances
Old Settlers' Parade	<ul style="list-style-type: none"> • Each year all Olathe high schools (and middle schools) perform in the parade. Our students will be asked to meet at ONW early that morning to check-out their uniform and get prepped. School buses will drive students to and from the parade. Uniforms will be checked back in when students return to ONW • Details for drop-off/pick-up should be given to your student within a week of the parade • Many families drop their student off at school and then find a spot on the parade route to watch everyone go by. After the band finishes the parade they head back to ONW and pick up their student once they've checked in their uniform
Olathe District Marching Band Festival	<ul style="list-style-type: none"> • This is a fun night at CBAC (College Boulevard Activity Center) when each of the Olathe high school marching bands perform for each other in a showcase performance format • All band students and their families are welcome to come and watch the performances, but seating does fill up so we highly suggest that you arrive early if you want a seat

Marching Band Events, cont.

Event	Details
Football Games	<ul style="list-style-type: none"> • We play at all “home” games so we will always be on the west side of the field (furthest away from ONW). Students should arrive to school by the 4:30pm call time. Each student is responsible for check-outing their assigned marching band uniform from the uniform room, getting their uniform on, and their instruments ready to rehearse as soon as possible. Parents are encouraged to come into school around this time to help out with various Band Booster jobs. • Once instructed by the Band Director the Marching Band will line up outside and march to the CBAC Stadium. Parents are welcome to walk with the band if they choose. Otherwise, this is a good time to drive over and park at the stadium. • <i>Important Tip: If parents/family is planning to stay for the game, you must either purchase an admission ticket or show you Activity Pass that you bought during school registration. Everyone is required to show proof of purchase even if you are helping the band. This is a district decision and the Band or the Band Boosters have no influence in this matter.</i> • Prior to the band marching towards the stadium the band bags and percussion pit instruments will be loaded up, driven to the CBAC field, and unloaded in a designated area for student access • During each game the Band Boosters provide students with a snack and water so while it’s fine to give your student money, it’s not necessary
Marching Band Competitions	<ul style="list-style-type: none"> • For each competition, the drop-off/pick-up for the students will be on the band side of ONW • Designed time will vary based on each competition, but be prepared for them to be gone ALL DAY • Parents are always welcome to watch (or even volunteer time to help with Band Booster jobs), but you will need to find your own transportation and pay your own expenses such as competition admission tickets • Students need to eat breakfast before arriving and pack a meal to take with them. The Band Boosters will provide one meal and one snack for the students – bottled water will also be provided. If you feel your student will need/want more food than that, then it would be best for the student to bring a little extra money with them. Often times there will be a concession stand available, but <u>only after</u> the band has performed – <u>not before</u> • Many times the band’s return arrival time is more of an estimate than an exact time so your flexibility on pick-up times is greatly appreciated. Tracking the band on our Facebook account is a great way of “staying in the loop”. • 2018-2019 Competitions: <ul style="list-style-type: none"> ○ KC Championships at Blue Springs South Marching Fest (Sept. 22nd) ○ Ozarko Marching Festival @ Missouri State (Oct. 6th) ○ Park Hill District Marching Festival (Oct. 13th) ○ Festival of Champions Marching Invitational @ UCM (Oct. 20th)

Uniforms

Background

Uniforms are the “face” of the band. It’s important for the band to not only act as one together, but to look as though they are one. The Raven Bands have three different uniforms for the students and with an estimated 385 students during the 2018-2019 school year you can imagine how much coordination it takes to get everyone fitted and checked. Below is a description of each uniform according to their band and a few helpful tips.

If you have any questions about uniforms, please contact our Uniform Coordinators:
Melanie Hamilton and/or Danna Dahl @ Uniforms@ravenbands.org

Marching Band

Marching Band’s uniform is the most elaborate because of all its pieces. It has:

- Long sleeve jacket
- Pants that are actually more like a bib
- A pair (2-pc.) of “tails” that can be snapped onto the jacket
- A pair (2-pc.) of “gauntlets” that are fitted onto the jacket around the wrist area
- A hat with a detachable plume (“feathers”)
- A pair (2-pc.) of black gloves (furnished through Band Fees)
- A pair of black long socks (furnished one pair through Band Fees – highly suggest buying extra socks)
- A pair of black marching shoes (furnished through Band Fees if you are a New Marcher)
- One “Show” t-shirt (furnished through Band Fees)

****Students are required to wear their show shirt under the uniform at every event. It is highly recommended that they also wear a pair of gym shorts underneath their uniform as well.****

All fittings will be done at school during the Full Band Camp (July 30 – August 8) around the uniform room (Room 1810 – adjacent to the Nurse’ Office). There will be girls & boys dressing rooms available for them to change, but *it’s recommended that they wear/bring a t-shirt and shorts that can be worn under the uniform. **If you are a return marcher, please remember to bring your marching shoes.***

At this time a uniform will be assigned to each student for inventory purposes. This is also the time when we will gather an order list to purchase new marching shoes. So, if you are new marcher or a return marcher who has outgrown your shoes, make sure your name and shoe size is on the order form.

If you cannot make it to the Uniform Fitting it’s very important that you contact the Uniform Coordinators. Otherwise, you may not be able to get a uniform!

For each football game or competition, the students are responsible for picking up or “checking out” their own uniform from the Uniform Room (Room 1810 – adjacent to the Nurse’s Office) by the posted call time.

After the event is over students are responsible for packing their uniform up and have it ready for inspection during the turning in or “check in” process. Once their uniform has been approved they will hang it up in the assigned spot of their closet in the Uniform Room.

Shoes and socks are allowed to go home at the end of each event because they are student-owned. (It is highly recommended to have the socks washed as much as possible.)

****NOTE:** Except for the socks and shoes, the Marching uniform is owned by the Olathe School District and checked out to each student for the sole purpose of performing as a member of the Raven Pride Band program at all band events. *Unfortunately, there are times when accidents happen and a student may damage or lose parts of the uniform. In these cases, it is the responsibility of the student to pay for a replacement item if that item cannot be repaired or found.*

In addition to the uniform each student will have a band bag (which is paid for through band fees and is student-owned) that they should bring to each event. This is a great place to keep and carry band shoes, socks, and just about anything else your student feels they need.

Jazz Band

Jazz Band's uniform consists of --

For Women:

- Black dress coordinated as a group (provided by student)
- Black dress shoes (provided by student)

For Men:

- Black long-sleeve dress shirt (provided by student)
- Black dress pants (provided by student)
- Black dress socks (provided by student)
- Black dress shoes (provided by student)
- Suspenders supplied by ONW – white for Jazz I, blue for Jazz II, & black for Jazz III
- Neck tie supplied by ONW – white for Jazz, blue for Jazz II, & black for Jazz III

Suspenders and neck ties will be “checked out” to the students sometime during the week of their first performance. Students are allowed to take them home during the Jazz band season. Students will need to “check in” their tie and suspenders at the end of the school year.

Concert Band (includes Concert Symphonic Wind Ensemble and Raven Winds)

Concert Band's uniform consists of –

For Women:

- Black dress (owned by ONW)
- Black dress shoes (provided by student)

For Men:

- Black Tuxedo (owned by ONW)
- Tuxedo shirt (provided by student, but if new shirt is needed – orders are through ONW)
- Black socks (provided by student)
- Black shoes (provided by student)

Each year during 1st semester we will have a Uniform Fitting Day (or Days) for students to get fitted for their uniform. All students will receive an email inviting them to sign up (on Signup Genius) for an appointment time. All fittings will be done at school around the uniform room (room 1810 – adjacent to the Nurse's Office). There will be girls & boys dressing rooms available for them to change. ***If possible, please bring the dress shoes you intend on wearing with the uniform. It will make it easier to determine hem lengths***

At this time a uniform will be assigned to each student for inventory purposes. This is also the time when we will gather the order list to purchase tuxedo shirts for anyone who needs a new shirt either because they are new or they have outgrown their older shirt.

If you cannot make it to the Uniform Fitting it's very important that you contact the Uniform Coordinators. Otherwise, you will be responsible for renting your own tuxedo or dress!

Concert uniforms are “checked out” and sent home to be kept during the Concert season (2nd Semester). Immediately following the ONW Spring Concert (May 6th, 2019) Senior students from all bands (Symphonic, Wind Ensemble, Raven Winds, and Full Year Concert) are to “check in” their uniform in the Band Room. All other students will “check in” their uniform after the Senior Commencement ceremony on May 19th, 2019). Whenever your student turns in their uniform, make sure they have another outfit with them to change into.

Volunteers

Background

Volunteering is a critical part of Band Boosters support for our directors and our students in our Raven Bands. While we have lots of activities that depend on volunteers throughout the year, we have broken them down into the following area. We feel there is an opportunity for everyone to contribute to our band program based on their interests and skills. An email is sent out in Mr. Davis' weekly email or from the Charms system to parents and/or students for different areas, as explained below.

If you have any questions about general volunteering, please contact our Volunteer Coordinator :
Michelle Siegrist at Volunteers@ravenbands.org

Chaperones

For marching band festivals and for all band concert season festivals for which the band travels from ONW, a parent or director must ride on each bus to and from the event with the band. Marching band chaperones are coordinated through the main Marching Band Sign-up Genius. Festival chaperones are not needed usually until spring semester and are coordinated through email or a spring sign up genius since festival chaperones are needed in the spring for all bands.

Food & Drinks

Assist with identifying, purchasing and coordinating delivery of snacks & waters (Marching Band football games) or one meal (Marching Band festivals and Pep Band for home basketball games). We request donations for some items throughout the season; other food and drink purchases are reimbursed by the Band Boosters or by the Band District budget.

Fundraising

Assist with generating fund-raising contacts & ideas, organizing and staffing fundraising events, distributing sold items to students for their delivery. An individual Signup Genius or email is sent out for each event. Information about our largest fundraiser, Blues & BBQ, can be found in the section, Blues & BBQ Banquet and Auction. See **Fundraising** section for more details.

Marching Band – Student Field Prep Assistance

Marching Band requires the largest number of volunteers because of the large number of students and amount of equipment being moved and set up. Volunteering for these activities is usually coordinated through one Marching Band Season Signup Genius that has signups for each category listed under each event (football game or festival).

- Football games are usually on Friday evenings and volunteer opportunities are generally between 4pm – 10pm.
- Festivals occur usually on Saturdays during September/October and can vary in length based on the festival format and location but are *usually all-day events*.

We provide details on the date and time/length of each event as soon as we have it available, and you receive an update from Signup Genius if information on a slot for which you've volunteered has been updated. It takes many hands to coordinate our marching band performances at the Friday night football games and festivals, but the Signup Genius format allow parents to volunteer for specific dates and jobs that work for them.

With the marching band's student field prep assistance, we have jobs that we need help with. Please note that each of the areas listed below take between 5 and 8 people to get the job done.

Marching Band – Raven Roadies

Volunteering with the Raven Roadies is also coordinated through the one Marching Band Season Signup Genius that was mentioned above. At each football game and marching band festival/competition we need volunteers to:

- Assist in loading and transporting marching band equipment/instruments from ONW to CBAC before a home football game and then back to ONW after the game.
- Assist in loading and transporting marching band equipment/instruments from ONW to whichever festival the band is competing in that day and then back to ONW after the festival/competition is over.
- Move front ensemble (percussion) instruments on and off the field for the marching band show during half-time at home football games and at each festival/competition.

In order for the Raven Roadies to get their job done at each event we need:

- A minimum of 12 people to help move the instruments on and off the field.
- 3 full-size pickup trucks to pull trailers and equipment to and from the events. These trucks must have a hitch with a tow capacity of 7500 lbs. and be able to connect to the trailer's braking system (7-blade RV adaptor).
- 3 minivan or suburban vehicles to carry the student's band bags and equipment to CBAC for the home football games.

For specific questions about the Raven Roadies, please contact our Roadies Coordinator:

Karen Cunningham at roadies@ravenbands.org

Marching Band – Raven Props

Volunteering with the Raven Props is also coordinated through the one Marching Band Season Signup Genius that was mentioned above. At each football game and marching band festival/competition we need volunteers to:

- Assist in loading and transporting marching band props from ONW to CBAC before a home football game and then back to ONW after the game.
- Assist in loading and transporting marching band props from ONW to whichever festival the band is competing in that day and then back to ONW after the festival/competition is over.
- Assist in assembling the props off field and moving them to their proper field placement

In order for the Raven Props to get their job done at each event we need:

- A minimum of 7 people to help move the props on and off the field
- A full-size pickup truck with hitch to pull the trailer and props to and from the events

For specific questions about the Raven Props, please contact our Props Coordinator:

At props@ravenbands.org

Uniforms

All students have concert uniforms (tuxes for men, dresses for women). Volunteers assist by:

- Staffing uniform fittings for concert uniforms (A Signup Genius is created for the Uniform Fittings once we have the dates selected)
 - Altering concert uniforms as needed after fittings (Alterations can be done at home)
 - Checking in the marching band uniforms at ONW after home football games or festival events – this is coordinated on the main Marching band Season Signup Genius. Marching band uniforms are kept at ONW in the uniform room between events; Concert uniforms are kept at home by the students.

The Cost of Supporting the Band

Background

Financial Support – this is the other key component in the Band Boosters directive. It's unfortunate, but true that the Olathe School District is not able to fund everything that our students need to have the high impact band program that we have here at Olathe Northwest. This is where the Boosters come in (along with a lot of manpower help from the band students and our Band Directors, Mr. Davis and Mr. Whisman).

The monies we are able to raise through fundraisers and fees ALL go to the program and its students by way of either paying for band costs or directly into student ledger accounts (based on the student's participation in the fundraisers).

If you have any questions about financing, please contact our Treasurer:
Christine Schauf at Treasurer@ravenbands.org

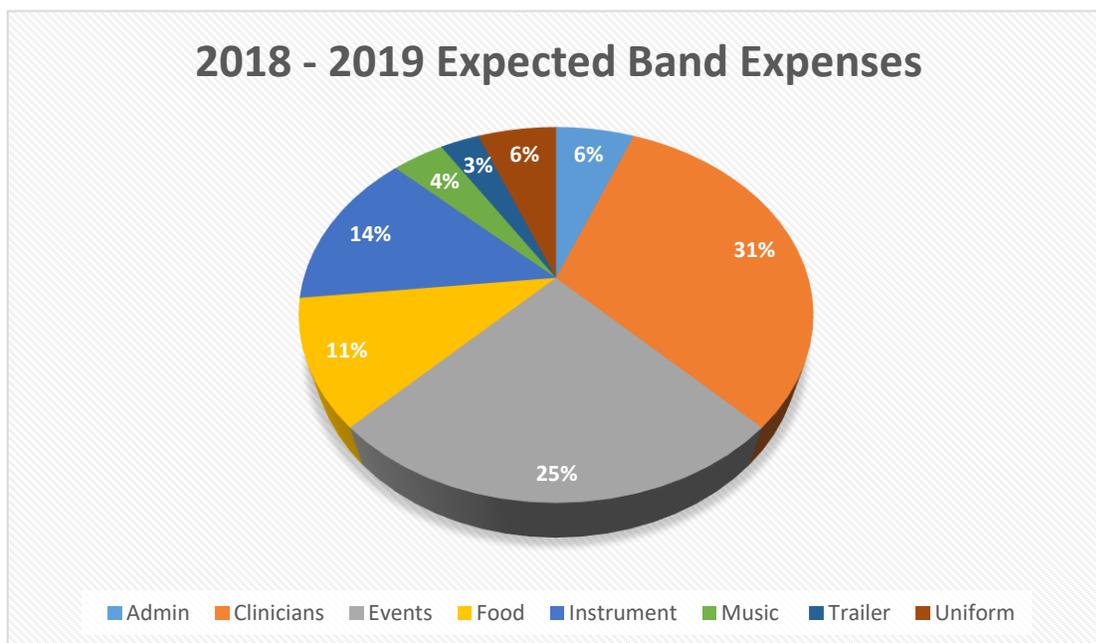

What Band Costs?

"Band Costs" is a general description of all the different expenses that the bands incur during the school year. In order to bring the kind of full year band program that we all love so much Mr. Davis and the Band Boosters are expecting to spend approximately:

Band Student (for the 2018 – 2019 school year)	Est. Cost per Student (Based on Total Program Costs) ** Not Band Fees **
Marching Band Student (returning)	\$ 285
Marching Band Student (new)	\$ 360
Concert Band Student (full-year)	\$ 187
Jazz Band Student	\$ 52

Some of these costs you would expect to see such as uniform expenses and snacks/meals at each event. However, there are other costs that the Boosters help take care of that may not have occurred to you such as repairs to any ONW owned instruments, maintenance and transportation of the band trailers, transportation of the band students, and competition & festival fees.

The following graph will give you a better idea of what has been raised and spent on the Raven Band program:

For those interested in delving deeper into the Band expenses, please contact the Band Boosters' treasurer.

What Are the Band Fees for My Student?

Band Fees for each student vary based on their participation in the Raven Bands program. A student who is in more than one band will have a higher Band Fee than a student who is participating in just one band. The following is a breakdown of fees for each band:

2018 – 2019 Band	Fees	Items Included in the Fee
Marching Band (Returning Marchers)	\$ 170	<ul style="list-style-type: none"> One pair of gloves One pair of marching socks One Marching Band t-shirt Uniform Cleaning & Maintenance <i>Dues</i>

Jazz Band (Jazz I, Jazz II, or Jazz III Bands Only)	\$ 40	<ul style="list-style-type: none"> <i>Dues</i>

Possible Incidental Expenses a Student may be Required to Purchase Outside of the Band Fee:

2018 – 2019 Band	Fees	Items a Student may need to Purchase
Marching Band Shoes	\$ 30	<ul style="list-style-type: none"> <i>Required for all New Marchers</i> <i>Available to any Return Marcher who needs to order a new pair of marching shoes</i> Considered to be part of the ONW Marching Uniform Part of uniform that students can keep
Marching Band Duffle Bag	\$ 45	<ul style="list-style-type: none"> <i>Required for all New Marchers</i> Considered to be part of the ONW Marching Uniform Part of uniform that students can keep
Concert Band (For Men Only)	\$ 20	<ul style="list-style-type: none"> <i>For men only:</i> Concert tuxedo shirts are part of the uniform, so if you're new or have outgrown last year's shirt you will need to purchase another one

** Please Note: Do not let Band Fees stop you from participating in the band! If you need help with band fees, please contact Mr. Davis at rdavisonw@olatheschools.org or by phone at (913) 780-7150 or (913) 963-6524. All inquiries will be held in the strictest of confidence. All students are welcome in the band program, supports are in place for students who need assistance with fees.

Dues? What Exactly are the Dues Paying For?

Dues are defined as any general expenses that each Band incurs as a group. Some of these expenses include:

Festival Fees for Marching Band Events 	Pizza Dinners for Pep Band and other occasions 
Festival Fees for all Concert Band Events  <i>(Concert, Symphonic, Wind Ensemble, and Raven Winds)</i>	Clinicians Fees   # <i>(Professional Instructors who focus on instrumental sections)</i>

When and How Are We Expected to Pay My Student's Band Fees?

We can collect band fees in a few different ways now. Starting July 23rd, we are able to accept payments made by:

- Cash
- Check or Money Order
- Credit Card (Visa, MasterCard, Discover, or AmEx)
- Transfer of funds from your student's band ledger

Cash, Check, or Money Order: Payments can be dropped in the black mailbox inside the ONW band room (on the wall just outside of Mr. Davis/Mr. Whisman office). Please seal your payment in an envelope and identify the student's name and purpose of payment ("Band Fees") on the front of the envelope.

Credit Card: Payments can be made by logging into your student's CharmsOffice account and select the Finance button. Under fixed asset section you should find a "Pay" button. By clicking on the "pay" button it will automatically send you to the Affinipay website which will allow you to make a secure payment online.

Transfer of band ledger funds: Students/Parents are able to use money earned through previous fundraisers to pay for band-related expenses such as band fees. If you'd like to pay for band fees with your student's band ledger, please fill out the "Transfer Ledger Funds Request" form located on the Raven Bands website (www.ravenbands.org) - It is located under the Outside Links section.

Once the form is completely filled out you can either:

- Drop it in the black mailbox inside the ONW band room (on the wall just outside of Mr. Davis / Mr. Whisman office)
- Scan it, save it into a .pdf, and email it to the treasurer's email address (treasurer@ravenbands.org)

We will also be collecting Band Fees at ONW all day on Registration Day (July 27th) and at the Meet the Band / Parent Meeting (August 8th), so please look for our table at school. We will have copies of the Transfer Ledger Funds Request forms for you to fill out there and we will do our best to have credit card payment access as well. (NOTE: Full Disclosure - Internet access within ONW can be spotty so depending on where our table is located we may have some trouble with connections.)

Please feel free to stop by our table if you have any financial questions as well.

If Band Fee payments cannot be made before August 31st, then please contact the Boosters' Treasurer, Christine Schauf, for other options.

Student Ledger Accounts – What is it and How Does it Work for Me?

A Student Ledger Account is a financial account that is set up for each band student. This account, or ledger as we like to call it, is created when they first join the band program and will be available to the student until they leave the program.

Within each ledger, we track:

- What band fees and/or trip costs the student has accrued
- What fees and additional costs have been paid for
- What monies the student has earned through fundraising
- Any other payments that have been paid for on behalf of the student's request

Students can use the monies he/she has accumulated in their ledger to pay for the following things:

- Annual band fees
 - Student's portion of cost to go on a band trip
 - Purchase tickets to an ONW Band Event such as End of Year Banquet
 - Reimbursement for musical instrument lessons
 - Reimbursement for personal instrument repair/maintenance costs

Student Ledger Accounts – What is it and How Does it Work for Me?, cont.

In order to track your student's personal ledger:

- Log into their Charms Office website account (www.charmsoffice.com)
- Click "Finances"

The first section will show you the balance of the ledger. The sections after that will list the itemized history of the ledger based on band fees, field trips, fundraising, and any miscellaneous details.

How Can I See My Student Account Activity?

- Follow the link to Charms: www.charmsoffice.com
- Log in as Parents/Students/Members
- Use School Code: ONWHSBand
- Enter the password for your account
- If you get the page telling you to change your password (this is optional). If you wish to continue using your student id – JUST IGNORE AND CLICK ON THE HOME button on the top left.
- Click on the Finances icon and you will see your student Financial Statement.
 - Charms Tip – If you are changing your password:
The box that is titled "Current Password/ID" – Even though it looks like your password is already entered (*****). Go ahead and Click here and re-enter your current password you are wanting to change (student id).
I have found that some browsers retain misc passwords here and it is not always correct and then you try to enter a new password it creates even more headache. I am currently working with Charms to make this clearer.

** If you just cannot get your student id or password to work email the Treasurer and she will reset your password to your student id.

Will There be Any Fundraising Opportunities for My Student?

Yes!! We will have several opportunities for the students to raise money through fundraisers. In fact, the following section is all about fundraisers. Many of our students are able to pay for field trips and other qualified items strictly through fundraisers – it really just depends on how much time and effort he/she put into these opportunities.

Fundraising

Background

It's difficult to talk about financial support without a discussion on fundraising – in fact, I dare you to try! Without fundraising our bands would not be able to do the things they do or go to the competitions and festivals that they go to. So while people may call it a “necessary evil”, it is still NECESSARY.

The ONW Band Boosters have come up with some fundraising options that have been very successful in the past and we feel will also be in the future. Below is a brief description of what we are planning to work on for the 2018-2019 school year and how the monies raised will break down between General Funds and Student Ledger Account Funds.

If you have any questions or ideas about fundraising, please contact our Fundraising Coordinator:
Theresa Sahhar at Fundraising@ravenbands.org

General Band Funds vs. Student Ledger Account Funds

All fundraisers that the Raven Bands and Band Boosters participate in is solely intended to help the Raven Bands program and its students. Depending on the fundraiser its profits will be applied to:

- *The Band Boosters' General Funds*
 - Profits from a fundraiser being applied to the Band Boosters' General Fund help pay for expenses that the Raven Bands program incurs.

(Between fundraising profits and band fees, the Band Boosters will pay approx. two-thirds (2/3) of the Raven Bands budget.)

- *The Student Ledger Accounts of band students who participated in the fundraiser*
 - Profits from a fundraiser being applied to the Student Ledger Accounts will help the participating individual students pay for band/music expenses such as:
 - Band Trips
 - Reimbursement of private lessons
 - Reimbursement for any maintenance or repairs needed on his/her instrument
 - Tickets to a band event (excluding Blues & BBQ Banquet)
 - *Or, a portion will go to both Fund*
-

Dine Nights

(General Band Funds)

Throughout the year we will have “Dine Nights” at participating restaurants such as:

Austin's Bar & Grill	Panera Bread
Papa Murphy's (103 rd & Woodland)	Panda Express
Chipotle Mexican Grill	Buffalo Wild Wings

Emails and flyers will be sent out to everyone so you have a chance to dine out during one of our nights and help raise money. Don't forget your flyer!

Hosting Concerts

(General Band Funds)

Occasionally we receive the opportunity to host a special concert and this year we are hosting two!

- Drum Corp Int'l (DCI) on July 16th, 2018
- Count Basie Orchestra (date is TBD)

As the host we can raise money for the General Band Fund through ticket sales and concessions. For events like these we need a lot of volunteer help so stay tuned for further details.

Bake Sales

(General Band Funds)

Typically, we run a Bake Sale a few times per year at:

- Olathe Northwest's school registration day (in July)
- Parent/Teacher Conferences (in October and February)
- During Dine Nights at Austin's Bar & Grill

Prior to these Bake Sales you will receive an email invite to link into our Signup Genius. There you and/or your student can volunteer to bring baked "goodies" to sell or to help run the Bake Sale table.

KC Ethnic Enrichment Festival

(Student Ledger Funds)

Each August Kansas City holds the Ethnic Enrichment Festival in Swope Park, KCMO. Students are given the opportunity to work a few hours at one of the booths during the Festival for a wage (to be determined later). Students must sign up on the Signup Genius link (emails will be sent out) so that the list will be sent to Festival's volunteer check-in station.

Speedy Car Wash

(General Band Funds
and
Student Ledger Funds)

ONW Raven Bands have reserved a Speedy Car Wash Day at the Falcon Valley location on September 24th, 2016 as a fundraising opportunity during the hours of 8am to 5pm.

During this one-day fundraiser students/adults on-site will spend their time encouraging people to get their car washed and/or purchase \$25 Speedy Car Wash cards -- Students will not actually be washing cars. We earn proceeds based on the number of cars washed and the number of cards purchased at Speedy that day.

Look for the Signup Genius email to sign up for a time slot. Sign up quickly, this is a popular fundraiser and times fill up fast!

Bingo Night

(General Band Funds
And
Student Ledger Funds)

Immediately after Marching Band season is over we host a Bingo Night Fundraiser. It's an evening at ONW to play rounds of Bingo and win fun prizes. Tickets for this event is actually from the purchase of Bingo cards. We will have a "Pre-Sale" for bingo cards approximately two (2) weeks prior to the event, so keep a watch out for more details. During the Pre-Sale period students can earn up to \$10/card sold (not available after the pre-sale or at the door). Concessions and dinner at the event will be available for purchase as well.

Poinsettia Plant Sales

(Student Ledger Funds)

In October/November, we will have sales forms available for any band student who wants to sell Poinsettia potted plants for the Winter Holiday season. Actual dates for turning in the orders/money will be determined later so watch your email for details. Poinsettias should be available for pick up at school after the ONW Winter Band Concert (Dec. 6th, 2018).

Blues & BBQ Banquet

(General Band Funds
and
Student Ledger Funds)

This is our biggest fundraiser of the year! We have been hosting this Banquet every February since ONW opened in the Fall of 2003. Patrons at this Banquet will enjoy a delicious BBQ-catered dinner while listening to Jazz music being played by the ONW Jazz bands (Jazz bands from PRT and MT Middle Schools also join in for a set or two). At the same time there is a silent auction in the hallway where patrons can bid on a wide range of items.

Tickets for the Banquet will be available at the ONW Winter Band Concert (Dec. 6th, 2016).

Students can earn money for their student ledger account several ways with this Banquet:

- Portion of the ticket sales can go to a specified student ledger account
 - Students can work at the Banquet in a number of ways
 - You must sign up prior and turn in an approved time card at the end of the night
 - Portion of the final sale for any items donated to the silent auction can go to a specified student ledger account

Blues & BBQ Banquet and Auction

Background

As we mentioned before, in the **Volunteers** section, our Blues & BBQ Banquet has become an ONW tradition. For the 2018-2019 school year we will be hosting our 16th annual banquet and auction for the Raven Bands (ONW opened for the 2003-2004 school year). It is our most popular and most profitable fundraiser of the year for those students and families who participate in it. Families from all the Bands are encouraged to and typically do attend this evening's activities. In fact, for the last several years we've had a full house!

With an event this grand it takes a lot of planning and help from the band students and their families, so volunteering is key at this event. An event like this not only allows us to raise money for the General Band Fund, but it allows students who participate in the Banquet to earn a percentage of the night's profits for their Student Ledger Account.

How Can My Student Participate?

There are several ways your student can participate in the Blues & BBQ Banquet and Auction –

- Turning in items for the Auction:
 - Students/Families can solicit donation items from area businesses to be put into the live auction or silent auction.
 - Historically, a student can earn over 50% of the auctioned price on any donated item they turn in to the auction. This money will be applied directly to their Student Ledger Account.
 - The best time to start working on those donated items is during the November/December time frame prior to the Banquet.
 - An official donation letter will be created for everyone to take with them when you ask a business for a donation. Look for it on the Raven Bands website under the Blues & BBQ drop down menu.
 - If you're looking for more information and donation ideas, then go to the Raven Band website under Blues & BBQ menu. We usually have everything updated for the upcoming Banquet around October.
- Purchasing tickets to the Banquet:
 - A portion of most Banquet ticket purchased will be applied to your student's Ledger Account.
 - You must identify which student you want to apply the portion to on the ticket form when you purchase your ticket(s). If a student is not identified, the portion of the ticket will go into the General Band Fund.
 - Tickets will be available for purchase online in January 2019
- Students can work for an hourly wage during the Banquet itself and/or its preparations:
 - Jobs include –
 - Set-Up (Friday, the day before, or Saturday, the day of the Banquet)
 - Wait Staff during the Banquet
 - Auction Helpers
 - Clean-Up (Immediately after the Banquet)
 - For those students in ONW's Jazz I, Jazz II, or Jazz III – You will be paid an hourly wage for the time that you perform onstage during the Banquet (No need for you to sign up)
 - There will be a sign up (on Signup Genius) available for the students in January.
 - Based on the signups time cards will be issued to each student.
 - When a student shows up for work they MUST check in by finding their time card, fill out, and get it approved.
 - When a student is ready to end their shift they MUST find their time card, fill it out, and get it approved, and make sure it gets turned into the Time Card Supervisor (this will be a parent) by the end of the Banquet night.
 - *If your time card is not approved and turned into the Time Card Supervisor before your student leaves for the night, then he/she will not get credit for their work time.*

Continued on next page

Blues and BBQ Banquet and Auction, Continued

How Can My Student Participate?, *cont.*

- The hourly wage is determined by the Band Booster board members after the Banquet and is based on how much profit we earned from the Banquet fundraising event. The more money the Banquet can bring in, the higher the hourly wage is for the students who worked the event.
 - Historically, the board members have approved an hourly wage that paid out approximately 75% of the Banquet's profit to the students. All wages are applied to the students' Ledger Accounts.

Any Band student can and is encouraged to work at our Banquet fundraiser. So, whether your student is in Concert Band, Symphonic Band, Wind Ensemble, or Raven Winds, it doesn't matter. This fundraiser is for all the students and we hope that all Band students will participate in some way. Each year students who work at the Banquet (or in preparation of) will earn money that is added to their Student Ledger Account or, if they would rather, they can use those hours of work as volunteer time to be added to their community service hours.

Is There Anything I Can Do to Help?

The students are an important part of making sure the Banquet runs smoothly. We like that because it gives them a chance to take a little more ownership of the Bands program and they seem to take pride in that. It also gives them a way to help pay for music related expense they will have during their time in the program such as band trips or reimbursement for private music lessons. However, this fundraiser will not work if we don't have parent volunteers!!! We need parents to help plan, organize, catalog, and several other things so that we can help the students pull off an awesome fundraiser. For every area that the students are involved in there are parents to help guide them. There are also some areas that are better suited for parents to handle. So we'll be looking for adults to help in the following areas:

- Auction Prep Team
 - Catalog Item Prep
 - Item Presentation (putting baskets together)
 - Organize and lay out auction items during Set Up
 - Making Signs
- Set Up and Decorating Supervisors
- Auction Cashiers
- Food and Beverage Supervisors
- Time Card Supervisor
- Hostess Supervisor
- Clean Up Supervisors

If you are interested in helping out with any of these positions, please contact –

For other jobs, Melissa White at Bbq@ravenbands.org

Showing Raven Spirit!

Spirit Wear for Raven Bands

Raven Bands spirit wear will be available to order from July 30th – August 26th. More details will be coming soon.

Marching Band Buttons

Marching Band buttons will be available for purchase again this year. Marching Band buttons are actually for the parents and families of our Marching Band students who want to show their support during football games and other band events. Each button has a picture of your student and lists their instrument. Many parents also use these buttons as a type of “name tag” to identify “I’m the parent of _____”
This is an optional purchase. Buttons cost \$5 each.
More purchasing details will be coming by email, so if you’re interested in ordering a button keep an eye out.

Lettering in Band For Your Student

Each Band student has the opportunity to earn a varsity letter and/or pin at the end of each school year. Earning

a Band varsity letter and/or pin signifies that the student has gone above and beyond normal expectations in the Band program. It means that he/she has lots of spirit and is involved in the program.

Question: How do you quantify a student’s spirit and enthusiasm?

Answer: PARTICIPATION! Participation = Points.

Mr. Davis and Mr. Whisman determine how many points it would take to represent the type of involved student who is worthy of lettering in Band. They, then, determine which activities and events should be identified and a corresponding number of points if a student participates in it.

For example, during the 2018-2019 school year:

- Students needed to earn at least 100 lettering points by the end of the school year
- These are only some of the options that students could participate in and receive points
 - o Member of the Ragin’ Ravens Basketball Pep Band (with perfect attendance) -- worth 50 pts.
 - o Member of the Leadership Team -- worth 50 pts.
 - o Drum Major in ONW Marching Band -- worth 20 pts.
 - o Participated in State Solo/Ensemble Festival -- worth 30 pts.
 - o Earned a Division “I” rating at State Solo/Ensemble Festival -- worth 30 pts.
 - o Regularly take private lessons during the school year -- worth 30 pts.
 - o Volunteered at ONW 5th grade “Try It Night” -- worth 20 pts.
 - o Participated in Olathe Youth Symphony, KC Youth Symphony, or Olathe Civic Band -- worth 25 pts.
 - o Participated in Pit Orchestra for Musical -- worth 25 pts.
 - o Participated in Volleyball Pep Band game -- worth 20 pts.
 - o Auditioned for State Honor Band, District Honor Band, or Sousa Honor Band -- worth 20 pts.
 - o Participated in the ONW Percussion Show -- worth 20 pts.
 - o Member of the Marching Band (3 or less tardies, perfect performance attendance) -- worth 20 pts.
- Throughout the year Mr. Davis may add other options to help students earn more points, so be aware of any extra opportunities.
- Note: Extra points can be given and taken away at the director’s discretion

A few weeks before this year’s Band Spring Concert and End of the Year Banquet (May 6th, 2019) a form will be available for pick up for any student interested in lettering. The student must fill out the form and turn it in no later than a week before the Band Concert/Banquet.

Advice Handed Down From Other Band Parents

Things I Wish I Knew as a New Marching Band Parent

BAND BAGS

- Students should ALWAYS bring their BAND BAG to band events. (Freshman students normally receive their bags on the day of the first football game. It will have their name embroidered on it and it is theirs to keep. They will use it each year that they are in band.)
- The band bag should ALWAYS have their STADIUM JACKET (black and white raincoat), LYRE AND FLIP FOLDER with music, EXTRA REEDS, STICKS, OR OIL. Bring WATER and non-messy SNACKS like pretzels, crackers, cheese sticks, apples, raisins, granola bars, etc. Snacks NOT allowed while in uniform: no Cheetos, no Doritos, no pudding/yogurt, nothing with ketchup or sauces, no nachos, no chocolate, no soda, no hot chocolate, no energy drinks, etc. (Stained uniforms have to be cleaned before the next event and this causes extra work for the Uniform volunteers.)
- The band bag is a handy place to keep the student's phone, warm hats, gloves, scarves or blankets for cold events, money for concessions, or anything else your student would want for the day/night. (They can leave wallet/purse and keys in their locker at school or bring with them in their band bag.)
- Before band students march to CBAC for a football game, they MUST place their zippered up BAND BAG in the hallway for the Raven Roadies (Band Parents) to put in a truck or trailer to be brought to CBAC. If you leave your band bag in the band room or near your locker, it will NOT be brought to the football game. After the band plays pre-game, students will exit the field and pick up their band bag to carry to the bleachers. Hats without plumes and uniform jackets are to be stored in the band bag while in the bleachers so that they don't get lost or stepped on and they stay clean. When the show is over, students will carry their band bag from the bleachers to be put back into the truck/trailer to be brought back to school.
- When attending a parade or band festival by bus, students bring their band bags onto and off of the bus.

UNIFORMS

- Every band student should arrive to school for an event (game, festival or parade) wearing their SHOW SHIRT, tall black marching SOCKS and black marching SHOES. (They can wear different shoes to school, but they must bring the marching shoes with them for each event. We have a limited number of shoes to rent out so you may not get the right size if you have to rent a pair. They must have their shoes if they are to march.)
- You can leave your band shoes in your locker so you don't forget to bring them to school, but I would suggest washing your show shirt and your socks each time! Each of these items can be RENTED (see costs below) if your student FORGETS to bring them to an event.
- Uniforms belong to the school and the student is responsible for taking care of the band uniform. If the student stains the uniform or gets it dirty, it will be dry-cleaned at the student's expense. The band pays for cleaning all uniforms at the end of the year.
- We take great pride in our new uniforms and the team works hard to maintain them so they look great at each performance. Should a student LOSE or DAMAGE any part of their uniform, they are responsible for incurring the costs associated to replace the lost/damaged article.
- **UNIFORM COSTS:** Marching Jacket - \$306; Drum Major Jacket - \$315; Capes - \$72/pair; Pants/Bibbers - \$143; Hat - \$76; Gauntlets - \$70/pair; Rain/Stadium Jacket - \$100; Shoes - \$30 to purchase or \$2 to rent; Gloves - \$2.50; Socks - \$2; Marching Garment Bag - \$30; Plumes - \$38.
- **PLUMES:** Since our hats are new this year, the plumes are very hard to insert into and remove from the uniform hat. Students ARE NOT allowed to insert or remove the plume in their hat. If they break the plastic holder on the hat while inserting or removing a plume, they will have to buy a new hat. (See cost above.) All plumes are to be removed by Band Parent Volunteers.

FOOTBALL GAMES

- ONW Football games are always held at CBAC (College Blvd. Activity Center), which is located one block west of Olathe Northwest High School. Enter on S. Valley Rd. and PARK your vehicle on the WEST side of the field, as the Home team sits on the west side and the Visitors sit on the east side.
- Unless you purchased an Activity Pass from school, bring cash to buy a ticket for the game and concessions. Check with the ticket booth if you are active duty military or a veteran for a discount.
- Students march from school to CBAC for the games. Feel free to park at school and walk over with the band or park at CBAC and watch them arrive. They normally march over about 45 minutes before game time. The parking lot at CBAC is a mess after the game, but it's not like the Royals or Chiefs.
- Most Band Parents sit in the bleachers next to the band. You are welcome to sit where you like.
- At the Homecoming Football game, the Band will play music while standing on the field ("park and bark" or "stand and blow") during the Homecoming program at half-time and they will play their Marching Field Show AFTER the football game is over. This will be a later night than others.
- The last home game of the year is always our GLOW SHOW. The students will use packing tape to apply glow sticks, small flashlights and battery-operated strings of light to their uniforms and instruments in the 4th quarter of the football game. When the game is over, the stadium lights are turned out and the students perform their Field Show while they "Glow in the Dark!" Please BUY YOUR GLOW STICKS NOW! If you wait until the end of October to buy glow sticks, they may be sold out or be very hard to find. Battery operated strings of Halloween or Christmas lights are fun to use as well and can be easily seen from the bleachers.

BAND FESTIVALS

- Band Festivals are normally all-day affairs. We leave by bus (school or charter) early in the morning and sometimes do not arrive back home until after midnight. You will have to plan accordingly for drop-off and pick-up, remembering that they have to check their uniform back in at school before they can leave for home. Send snacks and water in their band bags. Lunch and dinner may be provided, so be sure to read Mr. Davis' detailed emails about each festival so you know what is provided by the band and what is expected to be taken care of by the student.

INFORMATION via EMAIL

- You will receive information all year long from the Band Director, Mr. Davis, as well as the Band Booster President. These emails will be long, but they are full of very important information and are worth reading to the end. Email is the main way the ONW Band communicates with Band Parents.

VOLUNTEERS

- Band Parent volunteers are here to help. If you or your student ever have a question or your student needs something while at an event (football game, parade, band festival), please ask.
- You can get involved! We can always use volunteers to help check uniforms in after games and festivals, chaperone trips or help load/unload equipment with the Raven Roadies. Please email volunteers@ravenbands.org if you would like to volunteer and we can find a place for you to help our Raven Pride Band!

BAND LETTERS

- All band members have an opportunity to earn an Olathe Northwest Band Letter. The letters are earned by participation in certain events, auditioning for Honor Bands, taking music lessons, etc. Mr. Davis will provide the information at a later date. The Band Letters are awarded at the ONW Band Banquet in the Spring.

7:00am PRACTICES

- Before-school 7am band practice normally starts the first full week of school, does not occur on Thursday when it is a block day and they will end after our last event of the season. Check emails from Mr. Davis for exact dates each year.
 - Please drop your student off or have them arrive at school by 6:45-ish each morning that they have 7am band practice. They are required to be on the field, in their spot at 7am, or they will receive a tardy. Students need time to put away their backpack, put their instrument together and walk to the field.
